

# STEPHEN'S HOUSE YANKTON

SOUTH DAKOTA

## MISSION

To enhance the lives of men affected by addiction and incarceration through faith-friendly programming and mentoring designed to instill hope, accountability and responsibility.

## VISION

To see men set free through the application of Biblical principles as they cross over to become valued and productive members of their family and our community.

STRENGTHENING  
MEN TO OVERCOME  
ADDICTION, LEAD  
THEIR FAMILIES,  
AND SERVE THEIR  
COMMUNITY

**Stephen's House** is a faith-friendly non-profit organization that combines mentoring and programming to address the challenges men face as they transition from treatment and the criminal justice system. It is designed to teach men to be accountable and responsible for their choices.

Through a network of welcoming churches, felon-friendly landlords and employers, volunteers, and civic agencies, Stephen's House will be the conduit to assist men who are re-entering society. Together, the network supports the individual in creating new boundaries outside the judicial system, overcoming addiction and dependency, maturing spiritually, demonstrating personal responsibility and becoming productive members of the community.
